

Charitable Request for Contribution

Thank you for thinking of Gateaux for your upcoming fundraising event! We are contacted by an overwhelming number of not-for-profit organizations, and although we would love to support them all, our financial capabilities only allow us to sponsor a limited number of charities each year. In order for us to respond to each request in a prompt and fair manner, please complete this form and return it to the bakery in person, via email at GateauxDenver@aol.com, or fax (303)376-0073.

We require the following for each request:

1. Request on organization's letterhead
2. Outline of organization's mission and description of event
3. Copy of 501-C3 certificate
4. Specific outline of request and how Gateaux will be recognized

Please fill in any information that is not included in request:
